CUSTOMER NOTICE

The Northeast Marriage License, Passport & Public Records area will be temporarily closed while the office is expanded to better meet customer needs.

From September 22 through September 26, passport applications will not be processed at this location; however they will be accepted at all other Clerk of the Court office locations.

On September 23, 24 and 25, the Marriage License and Public Record services will be provided at filing counter windows #6 and #7 at the Northeast Facility.

During the expansion, there will be no public computers available for viewing or printing of court records. Copies of up to five documents (total # of pages not to exceed 25) may be purchased at the Northeast Filing Counter for same day requests.

If you are requesting more than five documents (or over 25 pages), we will be able to provide the available copies to you within 24 business hours of the written request OR you are welcome to visit one of our other Clerk of the Court office locations during this time.

We apologize for any inconvenience.
