**CIVIL APPEALS DOCKETING STATEMENT
INSTRUCTIONS**

Arizona Rule of Civil Appellate Procedure 12(e) requires an appellant to file a civil appeals docketing statement in superior court within 10 days after filing the notice of appeal. A copy of the notice of appeal must be filed with the docketing statement. In cases involving multiple appellants, the Court encourages appellants to consult with each other and file a single docketing statement. A cross-appellant must file a docketing statement within 10 days after filing a notice of cross-appeal.

Copies of the docketing statement must be served on all other parties to the appeal. Failure to file or serve a docketing statement within the time prescribed may result in sanctions, including dismissal of the appeal.

The docketing statement assists the parties in identifying common procedural and jurisdictional problems prior to briefing and provides the Court of Appeals with information it needs to properly process the appeal. The docketing statement must be completed fully and accurately. The omission of an issue from a docketing statement, however, will not by itself support a motion to strike an argument from the opening brief.
